Pete,

Kirsten Kennedy here, I watched a video this afternoon of my fellow DFL candidate in our CD8 race at an event, you are mentioned and there is laughter when discussing your time as a police officer and the two in line of duty shootings you experienced. I am appalled by this behavior, I stand with my police officers in North Branch and all the men and women who put their lives on the line everyday to keep us all safe. Please accept my sincere apology, I've made a statement on my public page and I'd like you to know that this is abhorrent behavior that is unacceptable to me.

Once again, I appreciate your years of service.

Kirsten
