“I would like to thank my peers for continuing to award me with the “best orthodontist” recognition. It is truly an honor to work with you and your patients.

I would also like to thank my father, Dr. Arthur Kamisugi, for mentoring me with his 41+ years of commitment to excellence in orthodontics and to congratulate him on his much deserved retirement.”

New at Kamisugi Orthodontics is a digital oral scanner, allowing for impression free treatment!

We also have text and email appointment reminders for patient convenience, along with an office “app” for ease in scheduling/re-scheduling appointments and for presenting and addressing orthodontic emergencies, should they arise.
